*Re: J-Squared v. Motorola Technologies, Inc. v. Motorola, Inc., C.A. No. 04-960-SLR:*  
Responses to Interrogatories

Dear Sean:

By letter dated December 22, 2005, we requested that your clients promptly supplement their interrogatory answers because most were incomplete or non-responsive. Motorola renewed this request on January 12, 2006.

We appreciate that this week's mediation may have put a hold on your efforts to respond to our requests, but we do need this information very shortly to complete discovery. We therefore reiterate our requests of December 22 and January 12.

Accordingly, please supplement your discovery responses by February 24, 2006, as these are central issues in the case. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Emily S. Cates". The signature is stylized with a large, looped "E" and a long, sweeping underline.

Emily S. Cates
